Brian Dodd  
24699 395<sup>th</sup> Avenue  
Mt. Vernon, SD 57363

**Subject:** Department of Agriculture and Natural Resources File Number 2024.091. Diesel fuel release that occurred following a transportation accident at the southwest corner of 247<sup>th</sup> Street and 397<sup>th</sup> Avenue, near Mt. Vernon, South Dakota.

Dear Mr. Dodd,

The Department of Agriculture and Natural Resources (DANR) is contacting you regarding the above referenced matter. A copy of the initial spill report form is enclosed. Based on the information provided, a transportation accident between two vehicles resulted in the release of diesel fuel in an adjacent cornfield. The procedures for cleanup of a release such as this were developed to prevent pollution of the waters of the State. It is understood that the diesel fuel contaminated soil has been excavated from the impacted area and is currently awaiting proper disposal. In this situation, DANR requires the following:

- Properly dispose the diesel fuel contaminated material at a permitted municipal waste facility;
- Provide DANR with photos of the excavated area as well as a copy of the landfill receipts; and
- By September 2, 2024, complete and return the enclosed Written Contamination Incident Follow Up Report form.

Baylee Hoff will be the project manager for this case. She will review all information you provide and will contact you if additional remediation is required. If you have questions or need additional information, please do not hesitate to contact her at 605.773.3296. Thank you for your cooperation in this matter.

Sincerely,

Trish Kindt  
Inspection, Compliance, and Remediation Program  
(605) 773-3296

Local Responders: Mitchell Regional Ambulance, Davison County Sheriff's Office, Davison County Emergency Management

State Responders:

Federal Responders:

Volunteer/Private Responders:

Incident Summary

Deaths: 0

Injuries: 1

Damages:

Summary: DO received a call on 8/1/2024 from Davison County Deputy EM Karen Wegleitner at approx. 15:53. Deputy EM calling to report a semi vs car accident at the intersection of 247th St and 397th Ave NW of Mitchell. Semi went through a stop sign and was struck by a vehicle which punctured the truck's fuel tank. Approx. 25 to 30 gallons spilled into the ditch and into a farmer's field. Driver of the car was taken to Mitchell Queen of Peace with minor injuries. Davison County Sheriff's Office, Mitchell Regional Ambulance, and Davison County Emergency Management responded. Truck operator is planning to bring out equipment to pick up contaminated soil. No resources requested. DO notified Trish Kindt with DANR.
